

Why PHARMACY staff should join UNISON

- UNISON represents the entire range of jobs within Pharmacy – pharmacy technicians, pharmacy assistants, pharmacists, admin staff, and cleaners.
- UNISON is the union most pharmacy technicians and assistants choose to join. We have a membership agreement with the association of Pharmacy Technicians, the professional body for pharmacy technicians
- UNISON is the largest and most influential health service union
- UNISON has unrivalled expertise in all areas of NHS pay, terms and conditions
- UNISON has more shop stewards and union officials than any other union
- UNISON stewards have access to stewards training courses through the TUC and training academy
- UNISON offers a wider range of benefits than any other union including automatic professional indemnity insurance cover
- UNISON is developing a dedicated web site and e:mail network for pharmacy staff
- UNISON cares about all staff in the pharmacy team
- UNISON will give you the support you need in the face of the major challenges facing pharmacy staff over the next few years – such as the new pay system, the extended roles being introduced, and more intensive working

That is why UNISON's membership across pharmacy services in the NHS is growing.
