

## PROUD OF YOU

The COVID pandemic has highlighted just how important our NHS staff are – everyone stepped up to help deal with the crisis, and health students played an important role in that.

UNISON, the union for health students, is so **proud** of the efforts of our student members during the crisis.

And we are **proud** to be the union you have chosen to be at your side as you move through your career in healthcare. We are with you every step of the way.

## Proud to represent all healthcare students

Your journey is an amazing one. From your first day to your first placement, your first patient to your first job, UNISON is your first port of call when problems and issues arise. We have supported you with:

- Key interventions on PPE, the life assurance scheme and vaccinations to help you deal with the pandemic.

- Securing non-repayable financial support for students needing extensions to their study as a result of the pandemic.
- Our vibrant student network.
- Our placement pledge that helps us campaign for a positive clinical placement.
- Our learning month for students.

## Not in UNISON?

What's stopping you?

- It only costs £10 a year
- You get a 40% discount on your Nursing Times subscription
- And you get support every step of the way from the UK's biggest trade union.
