

Nursing survival guide

UNISON
the public service union

Are you completing your studies and preparing for your first role? Or perhaps you're newly registered from overseas? UNISON is the biggest union in the NHS and we are proud to represent and support nurses all over the UK.

Our nursing 'survival guide' is full of helpful advice and top tips for members on how to thrive in your first registered nursing role.

Access the guide by scanning the QR code or visit unsn.uk/nursesurvival
