20th January 2012

Dear Branch Secretary,

The 2012 young members weekend takes place 11-13 May in Leeds, with a strong focus on public campaigning against the cuts. It's a great chance to meet, work and socialise with up to 140 other young members and learn key skills.

Each region is entitled to send up to 10 young members to the event, all of whom must be under 27 years of age on 13 May 2012. Priority will be given to first-time attendees and those from disadvantaged groups.

If any young members in your branch are interested in attending, then please get in touch with your young members regional contact, Jenny Mason, as soon as possible.

As soon as further information is available I will send this out to all branches.

In the meantime, if you have any questions, please do not hesitate to contact me on 01483 406513 or j.mason@unison.co.uk.

Kind regards

Jenny Mason
