A FAIR DEAL FOR PUBLIC SERVICE WORKERS

UNISON says 're-open' now!

In April this year, a three year pay settlement was agreed for NHS staff. Since then, prices in the shops and at the pumps have soared and more and more NHS workers are finding it hard to make ends meet.

All this means that UNISON is calling for NHS pay rates for 2009 to be 're-opened'. Join us today and add your voice to ours.
