

UNISON is campaigning for a fair pay rise for council and school workers in England, Wales and Northern Ireland. We have submitted a pay claim calling for a wage rise of £3,000 or 10%, whichever is higher in your individual circumstance – a flat rate increase would be pro rata'd for part time and term time only workers. A decent pay offer is essential and it's only by standing together that we will send a clear message to employers that you deserve more.

Here are three quick and easy things you can do today:

**1) Check and update your data**

Take 5 minutes to check what details we currently have using MyUNISON – [www.unison.org.uk/my-unison](http://www.unison.org.uk/my-unison)

**2) Contact your councillor**

We have a ready-to-send email that you can use to ask them to support a decent pay rise for council and school staff:

**3) Take a look at our interactive map and lobby your MP for more funding**
