## **Information on how to submit motions and delegations using UNISON's Online Conference System (OCS)**

For 2013 Retired Members' Conference all delegations, as well as motions, amendments to standing orders and amendments to motions, should be submitted via the Online Conference System (OCS). Correspondence between the Standing Orders Committee and submitters will also take place via the OCS.

**Which branch officers can use the OCS?** Using the OCS, motions can be submitted at branch level by the Branch Secretary, the branch Equal Opps Officer or the Branch Retired Members' Secretary. The others will receive e-mail copies of the motion submission as soon as it is submitted. Branch employed staff are also able to enter motions but do not have authority to submit them on behalf of a branch. Delegates can be submitted at branch level by either the Branch Secretary or the Branch Chair.

At regional level, the regional secretary is authorised to submit the motion/delegation, with the regional convenors receiving an instant e-mail copy. This process is replicated at national level for national bodies and their relevant chairs and secretaries.

**Which members can use the OCS?** When a member is registered as a delegate to a conference, they will receive an e-mail informing them of this. They can then also access the OCS to make online requests for reasonable adjustments, which should be made by the stated deadline.

**How will these people access the OCS?** Current and new users will continue to gain access to the OCS via an online portal called 'My.UNISON' by registering once at <https://registration.unison.org.uk> and then subsequently logging on at <https://my.unison.org.uk>. My.UNISON was extended during 2011 to offer all members access to new services such as their membership details ('My.Details') and protected content on a new UNISON web site. Regional and national users will receive separate communications about accessing the system. Branch employed staff should call their regional contact.

**What if the correct branch people have accessed 'My UNISON' but then cannot access the OCS?** Key to accessing the OCS is ensuring that the data held on UNISON's membership system, the RMS, is correct. It records which members hold the key positions of branch secretary and chair. If this information is incorrect, or if it changes, the branch needs to ensure that the RMS records are updated immediately. Then the individual should call their regional contact.

**What else needs to happen?** It will help the system to function if these key branch people also have an e-mail address stored on their RMS records. Please contact your branch or regional RMS team urgently, to make this happen. Advice on how to create an e-mail address is available on the UNISON website at:

[www.unison.org.uk/conference/email\\_setup.asp](http://www.unison.org.uk/conference/email_setup.asp)

Each delegate within a delegation should also have their date of birth stored on the RMS.

**Delegates and Visitors to Conference:** As part of this new system, it is important that we collect e-mail addresses for those retired members wishing to participate in any way in the conference. The e-mail address can be any one that you have easy access to e.g. your personal e-mail, branch e-mail or that of a friend or relative.

- If you already have an e-mail address and access to the UNISON website, the quickest way to update your details is to go to the UNISON website and click on the Update Your Details box – you will need your UNISON membership number.
- If you don't have an e-mail address or don't have access to the UNISON webpage, you can contact UNISONdirect on 0845 355 0845 and provide them with the details of your preferred e-mail address to update your UNISON Membership records – you will need your UNISON membership number.
- Or, you can contact your local UNISON branch and provide them with the details of your preferred e-mail address to update your UNISON membership records – you will need your UNISON membership number.

**What if our branch does not have computer access?** If you are concerned that your branch does not have access to a computer, an e-mail address or the internet, you are advised to contact your Region as soon as possible. They can advise you of training and funding available for IT development.

## **Regional Representation**

Regions can send one delegate each.

## **Proportionality and Fair Representation**

The principles of proportionality and fair representation contained in the NEC's Scheme of Branch Representation must be strictly maintained. Specifically for Retired members Conference:

### **Branches**

- The gender make up of the delegation is based on the gender make up of the Retired Members in the branch.
- If the delegation comprises one full delegate, then this delegate may be male or female

### **Regions:**

- 1 Delegate per region. Delegate can be a woman or a man.

### **Visitors UNISON members**

Branches can also apply for visitor places, subject to availability, on a first come, first served basis. Only UNISON members may attend as visitors. Visitors do not have to be retired members.

### **Reasonable Adjustments**

UNISON aims to provide a fully accessible event to disabled members in accordance with our duties under the Equality Act.

The success of our arrangements is always reliant upon members and branches providing adequate information about the facilities you require. We recognise members' access needs may change and invite you to advise about requirements for each event.

For any reasonable adjustments required, please complete the request online by the stated deadline. Authorisation for personal assistance/facilitation is required from your Branch Secretary that this expenditure will be approved.

**The Conference Office will endeavour to respond positively to requests for reasonable adjustments received online after the deadline of Friday 16 August 2013. However, requests that impact on the delegate seating plan may have to be accommodated outside of the regional seating areas.**

**Please remember that BSL Interpreters will only be available if requested in advance.**

### **Personal Emergency Evacuation Plan (PEEP)**

If a delegate or visitor from your branch requires a PEEP for the Brighton Centre, please ask them to indicate this with their online request.

## **Childcare**

Any delegate requiring childcare should make direct contact with the Conference Office at UNISON, 130 Euston Road, London NW1 2AY or e-mail Clare Cresswell at [c.cresswell@unison.co.uk](mailto:c.cresswell@unison.co.uk) so that appropriate arrangements can be made.

## **Motions/Amendments to Standing Orders**

Motions for the Conference agenda will be accepted from retired members' groups/sections registered with regions and from regional retired members' committees, as well as from the National Retired Members' Committee. There is no limit to the number of motions which can be submitted by any of these groups.

Please refer to the advice from the Standing Orders Committee about submission of motions, enclosed with this Conference Bulletin.

The Preliminary Agenda will be published on Wednesday 10 July 2013 and sent to branch secretaries. The Final Agenda will be published on Wednesday 11 September 2013.

## **Amendments to Motions**

Submission rights for amendments to motions are the same as those for motions and amendments to standing orders.

## **Emergency Motions**

Submission rights for emergency motions are the same as those for motions and amendments to standing orders.

## **Change of Delegate**

Branches may change delegates up to the start of Conference. A member registering as a substitute branch delegate must have been eligible to represent the branch at the closing date for registration of delegates on **Friday 2 August 2013**. Any changes must be in accordance with the scheme of branch representation.

After **5.00pm Thursday 3 October**, no more changes can be made on OCS. If a branch needs to make an emergency change to its delegation after this date, then an 'Emergency Change of Delegate Form' will need to be completed. This form will be available on the UNISON website from **Friday 5 October** and will also be available at the conference desk at Brighton.

## **Important Travel Arrangements**

Branches are asked to book all travel arrangements for Conference through Stewart Corporate Travel. Travel application forms are attached to this circular. Please advise Stewart Corporate Travel if your delegates have railcards. Branches are reminded that:

- Travel costs for **Delegates only** will be funded from National Office
- Travel costs for **Visitors** must be paid for by the branch. *Please note that a booking fee is applicable – further details from Stewart Corporate Travel.*

## **Accommodation**

Branches are encouraged to arrange accommodation through Brighton's Accommodation Booking Service, VisitBrighton. Using the Booking Service supports the work of our members in local government and ensures our continuing ability, as a not-for-profit organisation, to secure preferential rates for our conference venues. For full details of current available and for bookings please go to:

<http://resweb.passkey.com/go/urmc13>

You can also telephone VisitBrighton on 01273 292626.

Branches are often asked for credit cards to secure deposits and payment for delegate accommodation at conferences. UNISON's Finance Department has issued advice to branches on the use of prepaid credit cards, which are a secure way of paying for such expenses, enabling branches to limit the amount that can be spent by transferring an amount onto the card. In all other respects it operates in the same way as a normal credit card but does not expose the branch to fraud or probity issues.

Please ensure that members have written confirmation of any booked and paid for accommodation.

Branches can apply for a prepaid credit card from Unity Trust Bank. Details of the website are included below.

<http://www.unity.co.uk/other-services/corporate-alto-mastercard-prepaid-card/apply/>

## **Arrangements for Distribution of Card Voting Booklet**

One card vote booklet per branch will be issued and these will be distributed at Conference. The booklet will show the voting strength of the branch based on the number of retired members.

## **Workshops**

Workshops will be held between **2.15pm** and **3.45pm** on **Tuesday 8 October 2013**. Space in workshops is strictly limited and delegates will need to pre-register for them in advance. Only delegates from regions and branches are eligible to apply for a workshop place. Workshop application forms will be sent to delegates at a later date.

## **Panel Debate**

It is intended to organise a panel debate in the main conference hall between **2.15pm** and **3.45pm** on **Tuesday 8 October 2013**. Delegates who have not registered for a workshop place and visitors will be eligible to attend.
