

UNISON ACCIDENT BENEFIT CLAIM FORM: GUIDELINES

Criteria

To claim this benefit a member must:

- Have been a member for 4 weeks prior to the accident.
- Have no arrears of contributions.
- Claim the benefit within 12 months of the date of the accident.
- Have had an accident in the course of their employment, or whilst travelling to or from work or upon union business.

N.B. Members having received the maximum amount of accident benefit shall not be entitled to a further claim in any calendar year.

Guidelines

Please note all questions have to be answered in full. Failure to do so will cause a delay in paying this claim.

For rates of benefit please see the Rule Book, Schedule B, Members Benefits, point, 2.7.2

Members details

This section is to enable us to confirm membership. If you are unable to find the answer to any of the questions in this section you must first contact your local branch official.

Accident details

This section informs us of your accident details and allows us to determine whether you are eligible for benefit.

- Date of accident – enter the exact date you had your accident.
- Date left work – enter your last working day before going sick (this can sometimes be after your date of accident).
- Accident details – please provide a brief explanation of how your injuries were sustained and what your injuries actually are.
- Date of return to work – when completing the form if you are still off from work and unsure when you will be returning enter the expiry date on your last doctors certificate. This will enable us to calculate the total benefit to be paid.
- If you are going to be absent from work for 6 weeks or longer, then you should wait before submitting the form so that the maximum can be paid.

Bank details

UNISON prefers to make all payments by BACS. If you require payment to be made this way please complete this section, we will also require the email address to be completed in *Members details* to enable us to send you a remittance advice.

All information is confidential and kept secure.

If you require payment to be made by cheque, please leave this section blank. Please note payments made by cheque can take up to 5 working days longer to be received.

Claimants signature

The person claiming the benefit needs to sign the form here to confirm all details are correct.

Branch authorisation

Once the form has been completed the form must be returned to the branch official for checking and authorisation. No forms can be processed unless they have been signed by the branch official.

Do not send them direct to national office without this signature as it will delay payment.

Once authorised the branch will then send the forms to the payments section at UNISON Centre where they can be processed.

UNISON ACCIDENT BENEFIT CLAIM FORM

Please note all questions have to be answered in FULL. Failure to do so will cause a delay in paying this claim.
