

Dear Brothers and Sisters at Unison,

I write today on behalf of the 550 CUPE Local 2081 members to express solidarity with you in your fight for livable wages, job security and proper working conditions. CUPE 2081 represents support staff at Camosun College in Victoria, British Columbia, Canada. CUPE 2081 members share your desire for social justice and the recognition of the important work we all do. Stand strong Brothers and Sisters and understand that Solidarity knows no boundaries and crosses Continents, Borders and Oceans.

We stand in solidarity with our Brothers and Sisters at Unison on your National Day of Strike Action.

Jerry Oetting

President, CUPE 2081
