

DO YOU WANT TO MAKE A REAL DIFFERENCE IN YOUR WORKPLACE?

UNISON is your trade union in Four Seasons.

As a union recognised by the company we want to make sure that we can support our members.

UNISON members can help us do this by becoming workplace reps. Our reps are a key link between the union and its members. There are lots of different kinds of reps in UNISON – and whatever role you take on we offer full training – and support from full-time officials when you need it. You could be a steward, a workplace contact, a health and safety rep, a union learning rep or an equalities rep.

UNISON representatives take on a range of roles including:

- talking to staff about workplace issues and discussing them with employers
- supporting members with issues in the workplace
- encouraging colleagues to join UNISON
- involving colleagues in UNISON campaigns through information and organised activities
- engaging members in democratic processes in the union
- introducing staff to learning courses and development opportunities
- Use your skills as a UNISON 'friend' to help your branch work.

UNISON has negotiated an agreement with Four Seasons to ensure that our stewards are given reasonable paid leave to carry out their union duties. You will also get paid leave for training to enable you to become an effective and successful UNISON rep.

If you love a challenge, and want to help your union improve your working conditions and pay then contact us to find out more about becoming a workplace representative.
