

PROBATION STAFF

TAKE ACTION FOR FAIR PAY

STRIKE: 2 HOURS
08:00 - 10:00 AM
TUESDAY
14 JULY 2015

3 GOOD REASONS TO TAKE PART

1 What we are asking for is reasonable

Inflation has cut the value of your pay by 16% since 2010 – but your bills keep going up. We want to improve the 0% pay offer for 2014.

2 If you take part the action will be more successful

The employers are more likely to listen to us and think again if you take part. Your branch and steward will be giving out information about the plans for action in your workplace.

3 If we can't make the employers think again things will only get worse

If nothing changes you will find yourself 30% worse off by 2018. It's time to say enough is enough. You have been telling us you feel undervalued and demotivated. It's time to stand together in UNISON and take action for fair pay for probation staff.

Please talk to your branch or steward about the 2 hour strike on 14 July 2015.

Take action for fair pay – you can't afford not to.

Important notice for NPS employees

From the end of September NPS staff will no longer be able to pay UNISON subs direct from their salary.

These are challenging times for you in the NPS and it has never been more important to be a member of UNISON – as our fight to get you a better deal on pay shows.

To stay in UNISON and get help, advice and support at work and our range of exclusive benefits, you need to switch to direct debit.
