

# NMC Revalidation

## Are you ready ?

**NMC revalidation is being introduced from April this year. Your UNISON rep has left this postcard to help you find the information you need to help you get ready.**

**We have produced a booklet that tells you everything you need to know about revalidation and how to get prepared, you can download it from [unison.org.uk](http://unison.org.uk) (search for 'revalidation').**

# DON'T PANIC!

There are a few things you need to do now:

- go to the NMC website and join online **[nmc.org.uk/registration/nmc-online](http://nmc.org.uk/registration/nmc-online)** so you can find out when your revalidation is due and check and update your info
- put your revalidation date in your diary
- get your portfolio and divide it into the new headings
- identify where your gaps might be and start filling them now
- come to one of UNISON's revalidation briefings.

If you need more help or support contact your UNISON branch.
