

DON'T MISS OUT!

You've signed up to one of the UK's toughest jobs where you will make a real difference to people's lives when they need you most. UNISON is here to help you through your studies, while you are training and when you qualify.

It only costs £10 a year to be a UNISON student member. That's a great deal for essential cover, exclusive member discounts and help and advice when you need it.

We care about the NHS and about ambulance staff. That is why we are campaigning on a range of issues that will directly affect you throughout your working life.

We are campaigning for fair pay for ambulance staff, a safe retirement age and for an increased focus on the health and wellbeing of those who work in the ambulance sector. These are all things that will affect you as a student and when you qualify – joining UNISON now means you can help us make a difference.
