- Advice from the Standing Orders Committee - **this gives you advice on the submission of motions and amendments. The SOC recommends that you read this information before drafting the text for motions or amendments**

There are NO paper forms for motion or delegation submission, including requesting reasonable adjustments. You must use the Online Conference System (OCS) instead. See next section for full information.

Information on how to submit motions and delegations using UNISON's Online Conference System (OCS)

Which branch officers can use the OCS? Motions can be submitted at branch level by the Branch Secretary, the branch Equal Opps Officer or the Branch Disabled Members' Secretary. Branch employed staff are also able to enter motions but do not have authority to submit them on behalf of a branch. Delegates can be submitted at branch level by either the Branch Secretary or the Branch Chair.

At regional level, the regional secretary is authorised to submit the motion/delegation, with the regional convenors receiving an instant e-mail copy. This process is replicated at national level for national bodies and their relevant chairs and secretaries.

Which members can use the OCS? When a member is registered as a delegate to a conference, they will receive an e-mail informing them of this as long as their e-mail address is listed on the RMS. They can then also access the OCS to make online requests for services such as reasonable adjustments, crèche places and babysitting, which should be made by the stated deadline.

How will these people access the OCS? Users access the OCS via the UNISON website at www.unison.org.uk and clicking on 'My UNISON' - which is located at the top of the front page. Using your UNISON membership number and surname, register once and you will be issued with a password. For subsequent access, simply click on 'My UNISON' and then 'Sign-in now' and you will need your membership number and the password you were issued. Branch employed staff should call their regional contact.

What if the correct branch people have accessed 'My UNISON' but then cannot access the OCS? Key to accessing the OCS is ensuring that the data held on UNISON's membership system, the RMS, is correct. It records which members hold the key positions of Branch Secretary and Branch Chair. If this information is incorrect, or if it changes, the branch needs to ensure that the RMS records are updated immediately. Then the individual should call their regional contact.

What else needs to happen? It will help the system to function if these key branch people also have an e-mail address stored on their RMS records. Please contact your branch or regional RMS team urgently, to make this happen. Each delegate within a delegation should also have their date of birth stored on the RMS.

Delegates and Visitors to Conference: It is important that we collect e-mail addresses for those disabled members wishing to participate in any way in the conference. The e-mail address can be any one that you have easy access to e.g. your personal e-mail, branch e-mail or that of a friend or relative.

- If you already have an e-mail address and access to the UNISON website, the quickest way to update your details is to go to the UNISON website and click on the Update Your Details box – you will need your UNISON membership number.
- If you don't have an e-mail address or don't have access to the UNISON webpage, you can contact UNISONdirect on 0800-0-857-857 and provide them with the details of your preferred e-mail address to update your UNISON Membership records – you will need your UNISON membership number.
- Or, you can contact your local UNISON branch and provide them with the details of your preferred e-mail address to update your UNISON membership records – you will need your UNISON membership number.

Branch Representation

Each branch may send ten delegates to the conference.

National and Regional Representation

The following bodies are eligible to send two delegates (at least one of whom must be female): Regional Disabled Members’ Groups, National Black Members’ SOC, National Women’s SOG, National LGBT SOG, National Young Members’ Forum, National Retired Members’ Organisation, Private Contractors National Forum.

Business submitted for the Conference may only be moved by a delegate from the submitting body. Therefore if your branch or regional disabled members' group submits motions, amendments and amendments to Standing Orders or the Constitution, please ensure you send a delegate to move these items.

Branches and regions are particularly encouraged to plan meetings of disabled members' groups in accordance with the conference schedule to allow their delegates to be better informed of the conference procedures. Regions are also encouraged to hold training sessions on the procedures for conference in advance of conference, this should help increase members participation at the event as well as provide a valuable opportunity for delegates to network on broader organising issues

Regional meetings will be timetabled into the conference programme for 2017. Regional groups are also advised to consider designating one or two of its delegation to act as liaison representatives between regional and branch delegates.

Funding of Places

Branches or regions are responsible for providing funding for their delegates to national self-organised conferences to cover accommodation, subsistence, to meet the costs of dependent care (including babysitting whilst at Conference) and personal assistance costs. Only travel costs will be reimbursed to branches and regions from central funds.

Branches are reminded that they should consider their funding arrangements when determining the number of delegates they are sponsoring to this event. Branches may apply for additional funding from the region to meet the cost of access needs associated with sponsorship to this event, contact your regional officer for further advice. Additional national funding for branches with identified exceptional circumstances may be available to support the attendance of disabled delegates at this event if the branch is at risk of suffering financial difficulties; application should be made in writing to the Finance Officer. Further advice about applying for additional funding is available from Tim Bertuchi on 020 7121-5467.

Late delegate registrations will not be accepted. There will be no exceptions to this.

Proportionality and Fair Representation

In line with all other UNISON conferences, the principles of proportionality and fair representation contained in the NEC's Scheme of Branch Representation will be applied to encourage participation of groups such as young and low paid members in particular.

In response to the concerns raised by branches in seeking to fulfil the requirements of proportionality and fair representation, the National Self-Organised Group has changed the thresholds for the low paid female seat and young member seat for this conference.

The 4th seat must be a low paid female

The 5th seat must be a young member.

If these seats are not filled, no further delegates may be submitted.

The OCS will not flag up this requirement at the start of the registration process, but will make checks before the delegation is submitted.

We will review the impact this has on branches' ability to send delegations.

- 1) The gender make up of the delegation must be based on the gender make up of the branch.
- 2) If the delegation only comprises one full delegate, then this delegate may be male or female.
- 3) Branches sending 4 delegates must include one low paid female member in the delegation.
- 4) Branches sending 5 delegates must include one young member in the delegation (i.e. age 26 or under at end of conference)

Transgender members

UNISON applies strict rules on proportionality in branch conference delegations, to ensure proper representation of women. Members who are in the process of transitioning gender may not yet have changed their UNISON membership details. For example a member may wish to attend Disabled Members' Conference as a woman, but still be attending work as a man. Members will be registered for Disabled Members' Conference as the gender in which they will attend the Conference, irrespective of their gender recorded on the RMS.

To ensure that branch delegations including transgender members are not rejected on the grounds of proportionality, please contact the Conference Office on 020 7121 5123 with information on any online delegate submissions which include members attending conference in a different gender to that recorded on the RMS. Their confidentiality will be respected at conference.

Fitness to Attend Conference

With the introduction of Fitness to Work sick notes are slightly different now. Members who are off sick from work may have an illness/condition which means they can't perform some tasks but can perform others. They may have a fitness to work certificate which means they return to work with certain caveats – e.g. places limits on the types of tasks they can perform at work and duration.

So if a member is not at work and off sick and wants to attend the Disabled Members' Conference they need to ask for a note from their GP indicating they are fit to attend the conference (travel/sitting for long periods). We also advise them to get a note from their

employer agreeing to their attendance at conference, as this may be a different activity from those at work which they are not able to do.

Members should send a copy of the Fitness to Attend note to Stephanie Grant, Conference & Events Manager and Designated Health & Safety Manager, in advance of the conference. This information will be treated with confidentiality.

Caucus Group Involvement

Meetings have been arranged to ensure that members from under-represented groups within disabled members self organisation have better access to the disabled members conference agenda. The caucus meetings allow these groups to submit motions and amendments in line with the conference timetable - as set out by the Standing Orders Committee. There are four caucus groups – Black members; women members; lesbian, gay, bisexual, transgender (LGBT) members and Deaf (BSL users) members.

Attendance to the meetings will be funded nationally and are open to all disabled members. The purpose of the meetings is to allow the caucus groups to have access to the conference agenda.

Travel should be booked via Steward Travel using standard fare – and must be booked well in advance to avoid expensive fares.

Disabled members' conference will be held in Manchester from 28-30 October 2017.

All meetings are being held at the **UNISON Centre, 130 Euston Road, London, NW1 2AY**

The dates and times for the 2017 Meetings are shown below:

Extras *IMPORTANT NEW INFORMATION*****

From now on, requesting 'Extras' such as Reasonable Adjustments or Facilitators on the Online Conference System (OCS) can only be done by the registered delegate themselves. Once a delegate is registered, the OCS will automatically send out an e-mail to the person with a web link which they can click on to access the OCS and input the Extras they require. For any assistance please contact your regional conference contact from the list in this bulletin.

Please help us to help the environment

We're doing our best to reduce the environmental impact of our conferences. This year, we are providing all delegates with the chance to opt out of being sent paper copies of our conference

materials as part of the delegates' despatch. All these documents will be available online via the conference app, and on the UNISON website. You can then download them onto your laptop or tablet to view online while you are at conference. If you wish to opt out please indicate this on the 'Extras' screen options on the Online Conference System (OCS). If you do not opt out, you will be sent all documentation in hard copy form.

Reasonable Adjustments

UNISON aims to provide a fully accessible event to disabled members in accordance with our duties under the Equality Act. Requests for reasonable adjustments must be submitted by **5pm, Friday 15 September 2017**.

For any reasonable adjustments required, please complete the request online by the stated deadline. Authorisation for personal assistance/facilitation is required from your Branch Secretary that this expenditure will be approved.

Please remember that BSL Interpreters will only be available if requested in advance.

While we work within the context of the social model of disability this does not mean that UNISON can automatically provide all resources that are requested as adjustments. We have to consider the finite resources available both in terms of space and finances in order that we can balance our commitment to the social model with the resources available, and channel them to where they are needed most.

The process for managing requests that we adopted at 2016 National Delegate Conference has shown that with better information from members we can better address individual needs, allocate resources fairly, retain the ability to respond flexibly at conference and reduce the impact on other members.

Members requesting seating, tables, footrests, which impact on the space available on the floor of conference, will be asked what barriers they face that require this adjustment for their participation.

While not requesting detailed personal information, UNISON will require sufficient information in order to understand the barriers faced to get the right resources to the right people for this Conference. This will assist us in making adjustments that are meaningful and appropriate to the individual.

The union will determine the allocation of limited resources. If necessary, this may include reserving the right to seek additional information.

We will apply a necessary cut off point for requests, as close as possible to the conference while not impacting on the requirements to produce regional seating plans in good time for advance circulation. The deadline is **5pm, Friday 15 September 2017**. We will retain a limited ability to respond to unexpected circumstances that affect a delegate at short notice prior to the conference.

Personal Emergency Evacuation Plan (PEEP)

If a delegate or visitor from your branch requires a PEEP for Manchester Central, please ask them to indicate this with their online request.

Crèche and Babysitting

Please note that crèche provision is available **for delegates only** for children up to the age of 16 years. Arrangements have been made for Nipperbout, the company contracted to provide crèche facilities at all UNISON national conferences, to provide babysitting. Should you require this service please complete the online request by **5pm, Friday 11 August 2017**. Delegates are reminded that the cost for babysitting is borne by the branch so authorisation is required from your branch secretary that this expenditure will be approved.

Motions, Amendments to Standing Orders, Amendments to NDMC Constitution

Motions to the National Disabled Members' Conference guide the work of the National Disabled Members' Committee and influence regional and branch disabled members' groups over the forthcoming year.

A maximum of three motions are invited from the National Disabled Members' Committee, Regional Disabled Members' Groups, Branch Disabled Members' Groups, National Caucus Groups and National Young Members Forum (this includes motions to amend Standing Orders and motions to amend the National Disabled Members' Committee Constitution).

There is no limit to the number of amendments or emergency motions that can be submitted online by each of the above bodies.

Please refer to the advice from the Standing Orders Committee about submission of motions, enclosed with this Conference Bulletin.

The Preliminary Agenda will be published online on *Friday 28 July 2017*. The Final Agenda will be published online on *Friday 29 September 2017*.

Visitors

Branches can also apply for visitor places, subject to availability, on a first come, first served basis. The National Disabled Members Committee has agreed that UNISON visitors can attend all sessions of conference, which includes service group meetings and caucus meetings. UNISON visitors should only attend the service group meeting which applies to their membership i.e. local government members should attend the local government meeting and Caucus meetings where they identify with that group. Non UNISON visitors can only attend the main conference plenary sessions. All visitors have no speaking or voting rights during all sessions of conference.

Change of Delegate

Branches may change delegates up to the start of Conference. A member registering as a substitute branch delegate must have been eligible to represent the branch at the closing date for registration of delegates on **Friday 28 July 2017**. Any changes must be in accordance with the scheme of branch representation.

After **5.00pm, Wednesday 25 October**, no more changes can be made on OCS. If a branch needs to make an emergency change to its delegation after this date, then an 'Emergency Change of Delegate Form' will need to be completed. This form will be available on the UNISON website from **Thursday 26 October** and will also be available at the conference desk at Manchester.

Elections

The following elections take place during the National Disabled Members' Conference:

- (i) Two delegates to attend each Service Group Conference.
- (ii) Two delegates to attend National Delegate Conference.
- (iii) One delegate to attend National Delegate Conference 2018 as the National Disabled Members' Newssheet Team representative.
- (iv) Four members to serve on the National Disabled Members' Conference Standing Orders Committee for 2017 National Disabled Members' Conference.
- (v) One delegate to attend Trades Union Congress.
- (vi) Two delegates to attend the Labour Link Forum and Labour Party Conference (conditions apply).

Official Collections at Conference

This year the Standing Orders Committee has set a deadline of **5.00pm on Saturday 28 October 2017** for it to be advised of requests for organisations/campaigns to be included in any official collection at Conference.

Travel Arrangements

Branches are asked to book all travel arrangements for Conference through Stewart Corporate Travel. Wherever possible, please ensure train tickets are delivered to you directly as collecting them from stations incurs an extra charge. Travel application forms are attached to this bulletin. Please advise Stewart Corporate Travel if your delegates have railcards. Branches are reminded that:

- Travel costs for **Delegates only** will be funded from National Office.
- Travel costs for **Visitors** must be paid for by the branch. *Please note that a booking fee is applicable – further details from Stewart Corporate Travel.*

Accommodation

Branches are encouraged to arrange accommodation through the Accommodation Booking Service (ABS) team. Using the booking service supports the work of our members in local government and ensures our continuing ability, as a not-for-profit organisation, to secure preferential rates for our conference venues.

There will be a wide choice of accommodation including accessible bedrooms and apartments across the city. You can book and secure your own accommodation using either pro-forma invoices or credit/debit card. If you require any assistance with your reservation, support is available via the Accommodation Booking team.

To book accommodation for this event, please use the following link:

<https://aws.passkey.com/go/UNISON2017>

Or telephone the ABS team on 0161 238 4514 / 4563 or email: abs@visitmanchester.com

Prepaid Cards

Union Income Ltd have agreed to provide a corporate version of its prepaid card still with the UNISON branding. If your branch requires a prepaid card then this is the card that is the preferred option above others generally available.

An application will normally take about 14 working days to turnaround and you can request an information pack and application form by contacting:

UNISON Prepaid Plus Customer Services, 39-51 Highgate Road. London NW5 1RT or email customerservices@unisonprepaid.com

Credit Cards

If your branch does not specifically require a prepaid card the other best option is a credit card from Unity Trust Bank called Unity Corporate MultiPay Card. It is more flexible and is linked to branch current account. Details of the Corporate MultiPay card and further information on how to apply are available from their website at www.unity.co.uk/multipay. To help branches switch to this Unity Trust credit card, the bank has agreed to waive the one off administration fee of £50 for all current ALTO card customers who apply for a Multipay card.

Data Protection

Delegates should be aware that the information collected via the online conference system, in addition to information held on UNISON's membership database, will be used for statistical purposes and for the organising and administration of Conference in compliance with the requirements of the Data Protection Act 1998.

SO9 Procedural Motions

- 9.1 The following procedural motions may be moved at any time and without previous notice on the agenda:
- 9.1.1 "That the question be now put"

11.3 When an amendment is defeated a further amendment may be moved to the motion.

11.4 When an amendment to a motion is carried, the motion, as amended, becomes the substantive motion. A further amendment can then be moved to the substantive motion.

- 11.5 A delegate may not move more than one amendment to any one motion. The mover of a motion may not move an amendment to their own motion.
- 11.6 No delegates shall speak more than once on a motion or amendment, except that the mover of the original motion may exercise a right of reply for not more than three minutes. No new material may be introduced during a right of reply.

SO12 What is a Grouped Debate?

- 12.1 The Standing Orders Committee can propose grouped debates or sequential voting on motions or amendments which deal with the same subject matter.

12.2 Procedure for Grouped Debate

A Grouped Debate is run in this order:

- i) The Conference Chair advises Conference of the order of business and of the sequence in which motions and amendments will be moved and voted on following a general debate, and of the effect of certain proposals on others;
 - ii) All motions and amendments included in the debate are moved;
 - iii) The general debate takes place;
 - iv) The Conference Chair again states the order of voting and advises Conference which, if any, motions and amendments will fall if others are carried;
 - v) Voting takes place on motions, preceded by relevant amendments, in the order in which they were moved.
- 12.3 A Grouped Debate may not be adjourned until all the motions and amendments have been moved.

SO13 National Disabled Members' Committee at Conference

Any motions not reached on the agenda are referred to the National Disabled Members' Committee and reported on in due course.

SO14 Suspension of Standing Orders

- 14.1 Any one or more of these Standing Orders may be suspended by a resolution of Conference in relation to a specific item of business before the Conference or to the proceedings of Conference, provided that at least two-thirds of the delegates present and voting vote for the resolution.

**ADVICE FROM DISABLED MEMBERS' STANDING ORDERS COMMITTEE
ON SUBMISSION OF MOTIONS AND AMENDMENTS**

1. WHO CAN SUBMIT MOTIONS AND AMENDMENTS?

Branch Disabled Members' Groups
Regional Disabled Members' Groups
National Disabled Members' Committee
National Lesbian, Gay, Bisexual and Transgender (LGBT) Caucus
National Black Members' Caucus
National Women's Caucus
National Deaf (native British Sign Language Users) Caucus
National Young Members Forum

2. HOW MANY?

Each body may submit a maximum of three motions (this includes Amendments to Standing Orders and Amendments to NDM Constitution), all of which have the same deadline for submission.

There is no limit to the number of amendments to motions each body may submit.

3. HOW?

A motion or amendment must be agreed at a properly convened meeting of the submitting body. The text must be sent to the Standing Orders Committee, via the Online Conference System (OCS).

4. COMPETENCY OF MOTIONS AND AMENDMENTS

A competent motion is one that works within the rules of the union and the Conference. Only competent motions are allowed on to the agenda for Conference. The Standing Orders Committee decides whether motions are competent.

To qualify as a competent motion, the text of the motion must contain action. Action points should be clear, showing exactly what type of action is required and who needs to do it. A motion should ideally contain the following elements:

Who; What; When; Where; Why and How.

Who: Who does the motion affect?
Who is causing the need for change?
Who can achieve/initiate/resolve the required action?

Important: Action should be directed via the National Disabled Members' Committee. Do not use phrases such as "We believe that UNISON should do something" or "We call on Conference to do something" or "Conference resolves to do something".

Who should be instructed? Remember you may only instruct the National Disabled Members' Committee.

Motions that instruct the National Executive Council or other bodies in the union are not competent. Instead, use a phrase like "Conference asks the NDMC to call on the NEC to do something".

- What: What is the issue?
 What is its effect?
 What action is required?
- When: When did the issue arise? (An important consideration for emergency motions). When does the action need to be taken?
- Where: Where is the problem? (A particular region or area?)
 Is there a particular place the action is needed?
- Why: Why is it an issue?
 Why is the action needed?
- How: How can the issue best be resolved?

Your motion may not need to contain all of these elements. It is sometimes better to make these points as part of your speech when moving the motion at Conference. Making a bullet point list under each of these headings will help focus on the issue, preferred action and outcome. Make the list and then tick off each point as you put it into the text of your motion.

The Standing Orders Committee will check that the motion:

- (a) is received within the published deadline as well as being submitted by an appropriate body, via the Online Conference System (OCS) by the deadline stated.
- (b) is appropriate for the NDM Conference. It must deal with issues specifically related to disabled members, and not issues of a general nature (citizen issues) that are the business of the national delegate conference; service conditions/service sector issues that are the business of the service sector conferences; or regarding UNISON's policies for the Labour Party that are the business of the Affiliated Political Fund Members' Conference. Motions may relate to disabled members' specific views on general issues;
- (c) only instructs the NDMC, not other bodies or UNISON as a whole. May instruct NDMC to liaise with/call upon other sections of the Union;
- (d) does not commit the Conference to spend National Funds, either directly or through the NEC. However general campaigning commitments may be made, as Conference decides policy and the NDMC interprets how to achieve the policy;
- (e) does not contravene Union rules, for example, on offensive language;

- (f) does not contain instruction for unlawful action.

If the Standing Orders Committee satisfies itself that the information on which the motion is based is not correct, it will rule the motion out of order.

All the above is also applicable to amendments. In addition:

- (g) amendments must refer to an original motion;
- (h) amendments cannot change a positive motion into a negative one;
- (i) amendments must not contradict the intention of the motion;
- (j) a mover may not amend their own motion;
- (k) amendments must not introduce substantially new subject matter to the extent that they unduly change the balance of the motion;
- (l) amendments must not delete the main point of a motion and introduce completely different issues instead, thereby changing the substance of the motion.

Regional Disabled Members groups may be in a position to give further support or guidance to branches groups on how to construct competent motions.

5. WHAT ARE EMERGENCY MOTIONS?

Emergency motions relate to events or issues that arise after the deadline for motions or amendments.

The Standing Orders Committee may invite the submitters of an emergency motion to meet with the Committee at Conference, for them to explain why in their view the motion constitutes an emergency, prior to taking a decision on competency.

In addition to complying with ordinary criteria, emergency motions:

- (a) should only refer to issues/events that occurred after the closing date for motions or amendments. In particular, the action called for must be something that could not have been included in a motion and submitted within the normal deadlines;
- (b) must state why the motion was not submitted within the normal deadlines.

The Standing Orders Committee will want to satisfy itself that the subject matter of the motion cannot be dealt with in another way.

6. WHAT ARE CAUCUS MOTIONS?

The Black Members' Caucus, LGBT Caucus, Women's Caucus and Deaf Members' Caucus have rights, within the Standing Orders, to submit motions, amendments and emergency motions to the agenda.

Each of these caucus groups prior to Conference may submit up to three motions. There is no limit on the number of amendments, or emergency motions.

For caucus motions, if an issue affects one member of caucus, it could legitimately affect the whole caucus, and therefore the subject matter is valid. However the actual text of the motion must contain sufficient content and context to make it specific and relevant to the caucus.

For example:

- (a) the action called for should affect or benefit caucus members;
- (b) the action called for could include working directly with organisations or campaigns specifically relevant to the caucus;
- (c) it is not sufficient to make a single mention of caucus members in the body of the motion.

7. SOCIAL MODEL OF DISABILITY

UNISON policy on the Social Model of Disability derives from Motion 117 at 1995 National Delegate Conference and Motion 131 at 1996 National Delegate Conference.

“Conference believes it is a basic fundamental right of all to have equality of opportunity and access to the employment of their choosing. Conference further believes that this right is denied disabled people, not because of any medical conditions, but because of inherent institutionalised discrimination. Society must remove the socially constructed barriers that create and perpetuate such discrimination.”

“Conference calls for the immediate adoption and implementation of the following measures:

d) The abolition of the registration scheme and disabled employees and the outdated traditional medical individual model or ‘disability’ that underpins this and the Government’s Department of Employment interventions. This would be replaced by self-definition according to the Social Model definition of disability which would recognise that it is the physical, structural, economic and political barriers in society that disable people with impairments face.”

“This Conference resolves to adopt the Social Model definition of disability to underpin all its policies and practices on disability issues. This model

demonstrates that disabled people are disabled by society not by their conditions.”

Branch and regional disabled members’ groups and the National Disabled Members’ Committee are therefore urged to take the following points into account when drafting texts for conference:

- (a) emphasis should be placed on the way society organises to exclude, segregate, disenfranchise disabled people, for example in areas such as transport, education, employment, health care provision, social activities;
- (b) motions and amendments should not refer to peoples’ impairments as being responsible for problems in relation to exclusion, segregation, disenfranchisement and discrimination;
- (c) UNISON does not support a hierarchy of disability and does not promote one form of exclusion above another and is committed to opposing all forms of discrimination against disabled people.

The Standing Orders Committee hopes that the above guidance on the Social Model will assist branch and regional disabled members’ groups and the National Disabled Members’ Committee to draft motions and amendments that reflect UNISON’s Social Model of Disability.

This guidance document was last updated: May 2012 (to reflect the introduction of the Online Conference System).

National Disabled Members' Committee Constitution
