Register to vote today at [www.aboutmyvote.co.uk](http://www.aboutmyvote.co.uk)

UNISON

# Get registered!

**To have a say in the general election on 8 June you must be registered to vote.**

As a UNISON member make sure you're registered to vote – and ask your friends and colleagues to register too.

If you're not registered you can't vote for the party you think will best look out for our public services.

If you're away on polling day, don't forget you can register for a postal vote. If you care about the NHS, schools, your local parks and libraries, policing in your neighbourhood or how we take care of those who most need it, get registered!
