WHAT'S UNISON DOING ABOUT NJC PAY?

UNISON has submitted a pay claim to the Local Government Association (LGA) for a 5% pay increase on all NJC pay points and the scrapping of NJC pay points SCP 6-9 so that nobody falls below the real Living Wage of £8.45 an hour (£9.75 in London).

To find out more about the pay claim and how you can get involved in our campaign for Fair Pay Now come along to our meeting.
