## for public services

**March and rally**  
**12 May 2018**

**London**

The TUC has called a national demonstration on Saturday 12 May in London. This is going to be a key moment in the fight for public services. We'll show decision makers we're scared for the public services we love – and the public are on our side. We won't take the cuts and pay freezes lying down.

This march is set to be a big one. UNISON, the TUC and other trade unions are putting considerable support behind it. You'll join thousands of like-minded people under the banner, 'Step up for Public Services'.

It's a march with a serious message, but it'll have a fun, family-friendly feel. Dig out your UNISON colours and let's turn the streets purple.

**Step up to the mark and join us!**
