UNISON

Have your
say on pay

**...when we
came to talk
to YOU about the
proposed pay
deal for
NHS staff**

We want to help you understand what the proposals would mean before you have your say on pay.

UNISON is recommending that you accept these proposals. You can find out why – and how your pay would be affected by using our pay calculator at **unison.org.uk/nhspay18**

You can vote in our consultation at **unison.org.uk/nhspay18**
All you need is your UNISON membership number and your date of birth.

The ballot closes at **5pm on Tuesday 5 June.**

We are sorry we missed you today, but please do take the time to find out more so that you can have your say on pay.
