ESSENTIAL COVER FOR HEALTH AND SOCIAL CARE STUDENTS

You are studying to enter one of the most rewarding and challenging professions going. Now is the time to join UNISON and get essential cover for the whole time you are studying.

UNISON is the largest UK union. We have more workplace reps than any other union and offer local advice on academic, practice placement and professional issues too.

Every member, wherever they work or study, receives our full range of member benefits and services which include:

► advice, support and help when you need it during your studies
► a helpline that is open until midnight
► legal help for you at work and your family at home*
► financial assistance and debt advice in times of need
► compensation for accidents and injuries at work.

And we offer a range of exclusive member discounts that can save you and your family money when you are shopping, buying insurance or looking for a holiday. And you get all this for £10 a year while you study.
