Your story can curb council cuts – speak to your MP

Local councils across the UK are struggling to deliver vital services. But you can change this – visit your MP and tell them firsthand why you and your family are struggling. The government’s weak majority means they are particularly vulnerable to pressure from your MP. UNISON members’ personal stories will persuade MPs to use their influence and force the government to invest more money at the November budget.

See how you can get involved in the campaign at unison.org.uk/saveourservices
