

How was it for you

Was it so-so?

Nothing extraordinary?

The worst ever?

We're talking about your day in work of course!

Will you tell us how your shift goes on **Tuesday 18th September**? We will use your answers to highlight the truth about working in the NHS today.

Put 18 September in your diary and tell us what happened on your shift by visiting **unison.how-was-it-for-you.sgizmo.eu/s3/**

Don't be shy, all your colleagues will be doing it too.
