FORM TO CONTRIBUTE TO
BOTH THE UNISON LABOUR
LINK AND THE CAMPAIGN FUND

Members who pay into either of the two sections of the UNISON Political Fund can opt to contribute to both sections through an additional payment.

The payment to join the additional section is 5% of your membership subscription.

UNISON Labour Link campaigns for members through affiliation to the Labour Party both nationally and locally. Members can take part in Labour Link activities and help make policy in the Labour Party. We work with the UNISON group of Labour MPs and representatives across local government and all regional and national parliaments/assemblies to ensure members' views are heard where it matters.

UNISON's Campaign Fund is used to pay for campaigning at branch, regional and national levels of the union, research and lobbying. It is independent of support for any political party. In the run-up to general or local elections, the fund is used for effective advertising campaigns to ensure that issues of importance to UNISON are high on the agenda.

If you wish to contribute to both sections, please complete the form and return to: UNISON Freepost (no other address required).

The data you provide will be used to update your political fund preferences and membership record. For more information on how UNISON handles your personal data, please go to unison.org.uk/privacy-policy
