

UNISON

Political fund transfer form

Form to transfer contributions between the two sections: UNISON Labour Link and the campaign fund.

Members who pay into either of the two sections of the UNISON Political Fund can opt to transfer their payments from one to the other. This involves those who presently contribute to UNISON Labour Link or the Campaign Fund, previously the General Political Fund (GPF).

UNISON Labour Link campaigns for members through affiliation to the Labour Party both nationally and locally. Members can take part in Labour Link activities and help make policy in the Labour Party. We work with the UNISON group of Labour MPs and representatives across local government and all regional and national parliaments/assemblies, to ensure

members' views are heard where it matters.

UNISON's Campaign Fund is used to pay for campaigning at branch, regional and national levels of the union as well as for research and lobbying. It is independent of support for any political party. In the run-up to general or local elections, the fund has been used for effective advertising campaigns to ensure that issues of importance to UNISON are high on the agenda.
