

Remember the dead, fight for the living

On 28 April - International Workers' Memorial Day - we remember those who have died as a result of accidents, injuries or illnesses caused by work. And it is the day we promise to fight for the living because 50,000 deaths a year is too many.

You can help us in our fight to cut the number of deaths caused by work by becoming a safety rep with UNISON.

You really can help us make a difference because we know that workplaces with active trade union safety reps are twice as safe as those without. All our safety reps play a vital role in making the lives of their colleagues safer and healthier.

To find out more speak to your UNISON safety rep or go to **unison.org.uk/unison-health-and-safety**
