Mae ein hysgolion angen arian

Mae ein hysgolion yn wynebu argyfwng. Ledled Cymru, mae cyllid wedi ei gwtogi cymaint fel bod tri chwarter ysgolion uwchradd yn rhedeg ar ddiffyg ac mae mwy na chwe ysgol o bob deg wedi dioddef toriadau i gyllid ers 2010.

Mae cynorthwyrwyr addysgu mewn ysgolion cynradd yn cael eu diswyddo er gwaethaf nifer uwch o ddisgyblion a chynnydd yn niferoedd disgyblion gydag anghenion dysgu ychwanegol (ADY). Ar yr un pryd, mae'r nifer o staff cefnogaeth ADY wedi ei gwtogi o 9.2%.

Mae ysgolion eisoes yn wynebu ailstrwythuro a diswyddo oherwydd pwysau ar gyllid. A nawr mae costau a chwyddiant yn codi, gan wneud pethau'n waeth. Mae UNSAIN yn ymgyrchu i sicrhau bod pob ysgol wedi ei ariannu'n ddigonol i stopio toriadau yn eich ysgolion lleol.

Rydym angen i'n hysgolion fod yn llefydd diogel, iach a hapus i blant a phobl ifanc ddysgu ynddynt. Ond mae staff cefnogi penodol yn dwyn pwysau'r toriadau mewn gwelynyddu, cyfleusterau, glanhau – a'r ystafell ddosbarth.

Mae staff ysgolion yn dweud wrthym eu bod ar ben eu tennyn er gwaethaf eu hymroddiad i gadw ysgolion yn rhedeg.

Rydym yn gofyn i rieni, athrawon, gwleidyddion a'r cyhoedd weithio gyda ni i ymgyrchu ar gyfer y cyllid mae ein hysgolion yn haeddu.

for your **school**

Our schools are at crisis point. Across Wales, funding has been cut so much so that three quarters of secondary schools are running at a deficit and more than six schools in ten have suffered cuts to funding since 2010.

TAs in primary schools are being made redundant despite higher pupil numbers and an increase in the numbers of pupils with additional learning needs (ALN). At the same time, the number of ALN support staff has been cut by 9.2%.

Schools are already facing restructuring and redundancies because of funding pressures. And now costs and inflation are rising, making things worse. UNISON is campaigning to ensure that all schools are properly funded and to stop cuts in your local schools.

We need our schools to be safe, healthy and happy places for children and young people to learn in. But dedicated support staff are bearing the brunt of the cuts in admin, facilities, cleaning – and the classroom.

School staff tell us they are near breaking point despite their commitment to keep schools running.

We are asking parents, teachers, politicians and the public to work with us to campaign for the funding our schools deserve.

I want to stop the school cuts – what can I do?

Together we can make a difference.

If you're a parent...

- Talk to your head teacher, governors, AM, MP or local councillors – or just one of them! Let them know how underfunding has affected your school and that you want the cuts reversed.

If you work in a school...

- Talk to your colleagues, your union rep and your management team about the cuts.
- Join 250,000 other people who work in schools in UNISON – the union for school support staff in the UK. The more members who speak out, the stronger your voice will be in your school.

Everybody...

- See our resources for campaigning to protect your school at **www.unison.org.uk/our-campaigns/**
- Contact your AM and MP and tell them of the cuts you know about so they can raise it as a concern in parliament
- Let your local councillors know that our schools need more money, not more cuts (most are elected on a small vote so they care what you think)
- Join the UNISON in Schools Facebook page and follow @UNISONinSchools on Twitter
- Tell us about local cuts you have heard about. Email: **education@unison.co.uk**
- Tell your local UNISON branch about the cuts.
