

Help us campaign for better rights

UNISON, the UK's biggest trade union, is always campaigning for better rights for disabled workers and people with health conditions. But we want to do even more!

We'd really like to find out more about your experiences at work if you have a health condition or are disabled. We are asking for seven minutes of your time to fill in our survey and help us make working lives better for our members.

Take the survey at
unison.org.uk/disabilitysurvey
and you could win a £50 One4all gift card just for taking part.

Not in UNISON? Join today at
