

Supporting Our Branches: An Introduction to the Branch Resources Review

This briefing will offer you an introductory overview of the entire NEC package which consists of 14 elements of support for all branches and activists like you.

Come along and find out more from Josie Bird (President & Chair of the Review), Lilian Macer (Chair of Regional Convenors & Vice Chair of the Review), Nicky Ramanandi (Regional Convenor), Maureen le Marinel (National Executive Council member) and Becky Tye (Regional Convenor).

Please note that this meeting will be recorded.

YOUR PANEL

Josie Bird

Lilian Macer

Maureen le Marinel

Nicky Ramanandi

Becky Tye

Josie Bird

I work in Admin for the Highways Department of Newcastle City Council where I have been a Steward and the Branch Chair for 17 years. I have represented the Northern region on the NEC since 2009, during this time I have served as Chair of the Finance & Resource Management Committee and been part of the Branch Resources Review since it's inception in 2011.

Lilian Macer

I am a health worker employed within NHS Lanarkshire for over 30 years and I have been a trade union member for all of that time. I have been active in Lanarkshire Health Branch for 21 years and UNISON Scotland Convenor for almost 10 years.

Maureen Le Marinel

I am NEC Member for Police and Justice Service Group. I am also the Branch Chair for Lancashire Police Branch, stepping back as Branch Secretary after 20+ years, but more importantly a UNISON activist of 37 years.

Nicky Ramanandi

I am the Regional Convenor for the Northern Region and have worked in Local Government since I was 17; I am also the Deputy Branch Secretary for Newcastle City Branch.

Becky Tye

I live in Norfolk and have been a UNISON activist in Local Government for the last 15 years. I was the branch secretary for a District Council UNISON branch for 11 years and following a change in my day job, I'm now a Steward in Norfolk County Branch. I've been Eastern Regional Convenor since 2017 and I juggle my local and regional activism alongside my full time job.
