

**UNISON Equality - Race for equality**  
**Webinar: 15<sup>th</sup> June 2021 5.00pm – 6.00pm**

Black workers and communities have been particularly hard hit during the pandemic. Working on the front line, exposed to Covid, in insecure jobs.

All this, layered on top of a history of institutional racism, which the Westminster government denies. This is the time to take forward UNISON's vital work on race equality.

In this fringe, senior Black leaders will discuss what works, with practical steps for change. The focus is race equality but the conversation is broad and deep.

**Speakers and chair**

- Davena Rankin, NEC
- Helga Pile, Senior National Officer, UNISON Health;
- Kebba Maneh, Chair, UNISON National Black Members Committee;
- Tim Roberts, Regional Secretary, Eastern region
