

Enough is enough

Vote yes!

for action on pay

UNISON members working as school support staff are voting on strike action.

If your school is eligible (most are), you will receive a letter and voting papers through the post from 1 December.

Every member must post their ballot back so that we receive it by 14 January.

We are asking you to vote for strike action. We know this is not something you do lightly and it's always our last resort. But you've been offered 1.75%, which is a real terms pay cut with inflation well above 3%. After years of declining pay, enough is enough – it's time to take action.

This is your decision on your pay. Use your vote. And **#VoteYes!**

For further information go to **unison.org.uk/LGpay**

Request a replacement ballot paper by 10 January by calling **0800 0 857 857**
