## Information on how to submit motions and delegations using UNISON's Online Conference System (OCS)

**Which branch officers can use the OCS?** Motions and delegations can be submitted at branch level by either the Branch Chair or Branch Secretary. The other will receive e-mail copies of the motion or delegation submission as soon as it is submitted. Branch employed staff will also be able to enter motions but will not have authority to submit them on behalf of a branch.

At regional level, the regional head of the service group will be authorised to submit the motion/delegation, with the chair of the regional committee receiving an instant e-mail copy. This process is replicated at national level for national bodies and their relevant chairs and secretaries.

**Which members can use the OCS?** When a member is registered as a delegate to a conference, they will receive an e-mail informing them of this as long as their e-mail address is listed on the RMS. They can then also access the OCS to upload their photograph, to make online requests for services such as reasonable adjustments, crèche places and babysitting, which should be made by the stated deadline.

**How will these people access the OCS?** Users access the OCS via the UNISON website at [www.unison.org.uk](http://www.unison.org.uk) and clicking on 'My UNISON' - which is located at the top of the front page. Using your UNISON membership number and surname, register once and you will be issued with a password. For subsequent access, simply click on 'My UNISON' and then 'Sign-in now' and you will need your membership number and the password you were issued. Branch employed staff should call their regional contact.

**What if the correct branch people have accessed 'My UNISON' but then cannot access the OCS?** Key to accessing the OCS is ensuring that the data held on UNISON's membership system, the RMS, is correct. It records which members hold the key positions of Branch Secretary and Branch Chair. If this information is incorrect, or if it changes, the branch needs to ensure that the RMS records are updated immediately. Then the individual should call their regional contact.

**What else needs to happen?** It will help the system to function if these key branch people also have an e-mail address stored on their RMS records. Please contact your branch or regional RMS team urgently, to make this happen. Each delegate within a delegation should also have their date of birth stored on the RMS.

**Delegates and Visitors to Conference:** It is important that we collect e-mail addresses for those members wishing to participate in any way in the conference. The e-mail address can be any one that you have easy access to e.g. your personal e-mail, branch e-mail or that of a friend or relative.

- If you already have an e-mail address and access to the UNISON website, the quickest way to update your details is to go to the UNISON website and click 'My UNISON' – you will need your UNISON membership number.
- If you don't have an e-mail address or don't have access to the UNISON webpage, you can contact UNISONdirect on 0800-0-857-857 and provide them with the details of your preferred e-mail address to update your UNISON Membership records – you will need your UNISON membership number.
- Or, you can contact your local UNISON branch and provide them with the details of your preferred e-mail address to update your UNISON membership records – you will need your UNISON membership number.

## Disenfranchised Branches

Branches are reminded that under Rule D.1.3.3.1 you will be disenfranchised from sending delegates to attend National Delegate Conference and Service Group Conferences for the remainder of the financial year following the year to which the financial return applies, if you did not submit your annual financial returns (Rule G.10.1) to your UNISON regional office by no later than **15 March each year**.

## **National and Regional Representation**

The following bodies are eligible to send two delegates (at least one of whom should be female) who shall be entitled to speak but not vote:

- National Self-Organised Groups
- Regional Health Committees
- National Sector Committees
- National Young Members' Forum
- Private Contractors National Forum

Each Professional and Sectional Body is entitled to send one delegate who shall be entitled to speak but not vote.

## **Branch Representation and Proportionality and Fair Representation**

Please note that the NEC Scheme of Branch Representation for National Delegate Conference applies across all service groups.

- 1) Branches are entitled to one delegate per 1,000 members or part thereof.
- 2) If the delegation only comprises one full delegate, then this delegate may be male or female.
- 3) The gender make up of the delegation is based on the gender make up of the branch.
- 4) Branches with over 2,000 members must include one low paid, female member in the delegation.
- 5) Branches with over 3,000 members must include one young member in the delegation (ie. Age 26 or under at end of conference).
- 6) Branches can send two people, in any gender combination, to share one of the delegate places. However:
  - a. If the entire delegation entitlement comprises of just the two sharers, then at least one must be female.
  - b. if they are sharing the low paid seat, both sharers must be low paid;
  - c. if they are sharing the young members' seat, both sharers must be young members.

*ie. Sending one sharer to meet either the low paid or young member requirement is not sufficient.*
- 7) Branches must include Black members in their delegation in proportion to the workforce profile of the employers covered by the branch.
- 8) Branches should endeavour to include disabled members and LGBT (lesbian, gay, bisexual and transgender) members in the delegation.
- 9) Overall, branches should also consider factors such as the balance between full time and part time workers, manual and non-manual workers, different occupations and skills.

Branch representation is based on membership as at **30 September 2021**.

***30 September 2022 membership figures will be available from the RMS in early January 2023. At this point the Conference Office will run a check to see if any branches are entitled to more or fewer delegates and action this as necessary. Branches can check their membership figure via their regional RMS contact.***

## **Transgender Members**

UNISON applies strict rules on proportionality in branch conference delegations, to ensure proper representation of women. Members who are in the process of transitioning gender may not yet have changed their UNISON membership details. For example, a member may wish to attend Health Conference as a woman, but still be attending work as a man. Members will be registered for Health Conference as the gender in which they will attend the Conference, irrespective of their gender recorded on the RMS.

To ensure that branch delegations including transgender members are not rejected on grounds of proportionality, please contact the Conference Office on 020 7121 5123 with information on any delegate submissions which include members attending conference in a different gender to that recorded on the RMS. Their confidentiality will be respected at conference.

## **Fitness to Attend Conference**

With the introduction of Fitness to Work sick notes are slightly different now. Members who are off sick from work may have an illness/condition which means they can't perform some tasks but can perform others. They may have a fitness to work certificate which means they return to work with certain caveats – e.g. places limits on the types of tasks they can perform at work and duration.

So if a member is not at work and off sick and wants to attend the Health Care Conference they need to ask for a note from their GP indicating they are fit to attend the conference (travel/sitting for long periods). We also advise them to get a note from their employer agreeing to their attendance at conference, as this may be a different activity from those at work which they are not able to do.

Members should send a copy of the Fitness to Attend note to Tracey Ayton Harding, Head of Conferences and Designated Health & Safety Manager, in advance of the conference. This information will be treated with confidence.

## **Appeals**

Regions monitor the delegations submitted by branches to ensure compliance with the scheme. Branches have a right of appeal against a decision by their region that their proposed branch delegation is not in line with this scheme.

## **Please help us to help the environment**

We're doing our best to reduce the environmental impact of our conferences. This year, we are providing all delegates with the chance to opt out of being sent paper copies of our conference materials as part of the delegates' despatch. All these documents will be available online via the conference app, and on the UNISON website. You can then download them onto your laptop or tablet to view online while you are at conference. If you wish to opt out please indicate this on the 'Extras' screen options on the Online Conference System (OCS). If you do not opt out, you will be sent all documentation in hard copy form.

## **My Requirements**

Requesting 'Extras' such as Childcare, Reasonable Adjustments or Personal Assistants on the Online Conference System (OCS) can only be done by the registered delegate themselves. Once a delegate is registered, the OCS will automatically send out an e-mail to the person with a web link which they can click on to access the OCS and input the Extras they require. For any assistance please contact your regional conference contact from the list in this bulletin.

## **Reasonable Adjustments**

UNISON aims to provide a fully accessible event to disabled members in accordance with our duties under the Equality Act. Requests for reasonable adjustments must be submitted by **4pm Thursday, 16 February 2023**.

For any reasonable adjustments required, please complete the request online by the stated deadline. Authorisation for personal assistance/facilitation is required from your Branch Secretary that this expenditure will be approved.

**Please remember that BSL Interpreters will only be available if requested in advance.**

While we work within the context of the social model of disability this does not mean that UNISON can automatically provide all resources that are requested as adjustments. We have to consider the finite resources available both in terms of space and finances in order that we can balance our commitment to the social model with the resources available, and channel them to where they are needed most. Where resources are allocated, this is done on the understanding that the member will use the resources at all times that they are in the conference hall. Failure to do so may result in the resources being reallocated. Members requesting seating, tables, footrests, which impact on the space available on the floor of conference, will be asked what barriers they face that require this adjustment for their participation.

While not requesting detailed personal information, UNISON will require sufficient information in order to understand the barriers faced to get the right resources to the right people for this Conference. This will assist us in making adjustments that are meaningful and appropriate to the individual.

The union will determine the allocation of limited resources. If necessary, this may include reserving the right to seek additional information.

We will apply a necessary cut off point for requests, as close as possible to the conference while not impacting on the requirements to produce regional seating plans in good time for advance circulation. The deadline is **4pm, Thursday, 16 February 2023**. We will retain a limited ability to respond to unexpected circumstances that affect a delegate at short notice prior to the conference.

## **Personal Emergency Evacuation Plan (PEEP)**

If a delegate or visitor from your branch requires a PEEP for the conference, please ask them to indicate this with their online request.

## **Crèche and Babysitting**

Please note that crèche provision is available **for delegates only** for children up to and including the age of 16 years. Arrangements have been made for Nipperbout, the company contracted to provide crèche facilities at all UNISON national conferences, to provide babysitting. Should you require this service please complete the request online by

**12pm, Thursday, 09 February 2023.** Delegates and visitors are reminded that the cost for babysitting is borne by the branch so authorisation is required from your branch secretary that this expenditure will be approved.

## **Language**

The language we use is important and reflects deep-rooted and long-standing power structures and beliefs. Racist, disablist, sexist, transphobic, ageist, biphobic or homophobic language will not be tolerated. Generalisations are seldom helpful and seldom true: please avoid making them. Jokes or comments based on sexist, racist, disablist, ageist, homophobic, biphobic or transphobic ideas should not be made. Remember that some of us do not identify on the gender binary, so expressions such as 'sisters and brother' do not include us all.

## **Conduct of delegates**

All delegates, visitors, staff and facilitators are expected to behave in a courteous manner. Aggressive, offensive, intimidatory, disrespectful or unacceptable behaviour will not be tolerated. This applies to all aspects of communication, at or in connection with the conference, including postings on social media. Complaints will be treated seriously.

## **Change of Delegate**

Branches may change delegates up to the start of Conference. A member registering as a substitute branch delegate must have been eligible to represent the branch at the closing date for registration of delegates **Thursday, 26 January 2023**. Any changes must be in accordance with the Scheme of Branch Representation.

**After 11:59pm Thursday, 13 April 2023 no changes to delegates can be made.** If a branch needs to make an emergency change to its delegation after this date then an 'Emergency Change of Delegate' form will need to be completed. This form will be available on the UNISON website from **Friday, 14 April 2023** and will also be available from the Conference Desk.

## **Travel Arrangements**

Please consider the impact on the environment when making your decision on how to travel to Conference. Branches are asked to book all travel arrangements for Conference through Stewart Corporate Travel via email at [unison@stewarttravelmanagement.com](mailto:unison@stewarttravelmanagement.com) or call [0800 091 4272](tel:08000914272).

Please advise Stewart Corporate Travel if your delegates have railcards.

Branches are reminded that:

- Travel costs for **Delegates only** will be funded from National Office
- Travel costs for **Visitors** must be paid for by the branch. Please note that a booking fee is applicable – further details from Stewart Corporate Travel.

Conference Travel should be booked by the cheapest possible means.

Driving is discouraged for conference unless delegates are travelling together or as a reasonable adjustment. Total reclaimable will be the cost of standard tickets or cost of car travel – whichever is the lesser.

The 250 mile / upgraded or 1st Class travel rule is not applicable for conference travel

All travel requests (including upgraded or 1st Class Travel) as a reasonable adjustment must be reviewed and authorised by the Head of Conferences.

Branches are responsible for funding their delegates' and visitors' attendance at conference. Subsistence should cover the cost of accommodation, meals, childcare, dependent care and facilitation.

### **Accommodation**

Branches are encouraged to arrange accommodation through Delegate Reservations, the accommodation service at **Bournemouth** Tourism. Using **Bournemouth** Tourism supports the work of our members in local government and ensures our continuing ability, as a not-for-profit organisation, to secure preferential rates for our conference venues. For full details of current availability and for bookings please go to:

<https://bebres.bzon.uk/event/unison-health-conference-2023/>

or you can telephone on 01202 816147 or e-mail [info@bebres.org.uk](mailto:info@bebres.org.uk)

Please ensure that members have written confirmation of any booked and paid for accommodation.

### **Submitting Motions, Amendments, Emergency Motions**

Motions should be submitted via UNISON's Online Conference System (OCS). The Preliminary Agenda will be published on Friday, 13 January 2023. The Final Agenda will be published on Friday, 17 March 2023.

### **Advice from the Standing Orders Committee (Annex 1)**

Attached as Annex 1 is guidance from the Standing Orders Committee outlining issues that submitting bodies need to be aware of when formulating motions for the health conference agenda. Please pay careful attention to this guidance.

### **Advice from the Health Service Group Executive (Annex 2)**

The Service Group Executive has identified a number of priority areas for the Health Group's work programme. When branches meet to discuss their motions for submission to Health Conference, they are encouraged to take the SGE's priorities into account.

### **Prepaid Cards**

Union Income Ltd have agreed to provide a corporate version of its prepaid card still with the UNISON branding. If your branch requires a prepaid card then this is the card that is the preferred option above others generally available.

An application will normally take about 14 working days to turnaround and you can request an information pack and application form by contacting:

UNISON Prepaid Plus Customer Services, 39-51 Highgate Road. London NW5 1RT or email [customerservices@unisonprepaid.com](mailto:customerservices@unisonprepaid.com).

### **Credit Cards**

If your branch does not specifically require a prepaid card the other best option is a credit card from Unity Trust Bank called Unity Corporate MultiPay Card. It is more flexible and is linked to branch current account. Details of the Corporate MultiPay card and further information on how to apply are available from their website at [www.unity.co.uk/multipay](http://www.unity.co.uk/multipay). To help branches switch to this Unity Trust credit card, the bank has agreed to waive the

one off administration fee of £50 for all current ALTO card customers who apply for a Multipay card.

### **Data Protection**

The information you provide via the OCS, in addition to your information held on UNISON's membership database, will be used for the organisation and administration of Conference. It may also be used for statistical purposes as this helps us plan future conferences. We will process your personal data in compliance with the requirements of the Data Protection Act 1998 (DPA) and the EU General Data Protection Regulation 2016 (GDPR). You can find out more about how UNISON processes your personal data by going to [unison.org.uk/privacy-policy](http://unison.org.uk/privacy-policy) or emailing [dataprotection@unison.co.uk](mailto:dataprotection@unison.co.uk).

## Health Care Service Group Conference: 17-19 April 2023 Standing Orders Committee guidance on submitting motions

### Introduction

This guidance is to assist branches and other bodies submitting motions and amendments to the 2023 health service group conference. It outlines the criteria used by the standing orders committee when considering whether motions and amendments will be admitted to the conference agenda, i.e. whether they are 'competent.' Branches and other bodies who are planning to submit motions to the 2023 Health Conference should read this guidance carefully.

Motions must be:

- From a body entitled to submit motions to a health service group conference
- About a matter relevant to the health service group
- Clearly written and include specific proposals for action
- Submitted via the online conference system (OCS) within the specified deadlines: 12.00 noon on **Friday 9 December 2022** for motions and 12.00 noon on **Friday, 17 February 2023** for amendments
- In line with UNISON rules.

### Who can submit motions?

UNISON rule P.1.3.5 sets out the bodies eligible to submit motions to service group conferences. For health conference, these are: health service branches, the health service group executive, regional health committees, and national occupational groups. There is no limit on the number of motions that can be submitted by these bodies. In addition, the national self organised groups, the national young members' forum, and the national private contractors' forum may submit up to two motions and two amendments.

### Submitting motions using the OCS

The conference bulletin sets out advice on how to submit motions using UNISON's online conference system (OCS). Only the branch chair and branch secretary have OCS permission to submit motions. Please make sure motions are entered onto the OCS and submitted in good time before the deadline.

For branches, only the text of motions which have been considered and agreed by a quorate branch meeting or branch committee meeting, are eligible for conference. The date of the meeting where it was agreed to submit the motion must be recorded on the OCS, together with the type of meeting.

### How the standing orders committee works

The SOC takes legal advice on the content of motions, particularly where there appears to be libel, or the content is or would lead to breaches of the law and/or rules. Motions are considered on a case-by-case basis.

### Service group issues

Motions and amendments submitted to the agenda for health conference **must** be relevant to health service group members. Rule D.3.1.4 sets out the remit of the service group and the issues on which it has autonomy to act on behalf of its members. These are to:

- Determine the service group's general policy
- Negotiate:
  - Pay and conditions of service;
  - Professional and occupational rules, standards, conditions and policy;

- Industrial and other relations with employers and to represent its members and participate in any joint negotiating machinery with powers in these matters;
- The settlement of any disputes arising from the employment of its members.

The standing orders committee will only accept motions that are relevant to the areas of activity defined for service groups within rule D.3.1.4.

### **Citizenship issues**

Some issues which appear relevant to the health service group may actually be 'citizenship' issues, of relevance to the whole union. This is because members experience the issues as workers **and** as members of the public or as service users.

Motions to health conference must have relevance to health service group members as 'workers', so that they fall within the remit of a service group conference as outlined in Rule D.3.1.4.

A number of motions are ruled out each year on the grounds that they are 'citizenship' issues and therefore appropriate for a national delegate conference which can instruct the whole union to adopt a policy or campaign. If in doubt, seek advice from the standing orders committee (contact details at the end of this guide.)

### **Staffing issues**

Motions dealing with staffing matters are not appropriate for a service group conference. The national executive council or the general secretary have responsibility for the employment of staff, under Rule D.2.12.1 and D.2.12.2.

### **Industrial action**

Rule O gives the national executive council exclusive powers to authorise industrial action. To be lawful, the industrial action must be taken in contemplation or furtherance of a trade dispute which relates wholly (or mainly) to one or more matters listed under s.244 of the Trade Union Labour Relations (Consolidation) Act 1992. Before any call for industrial action, the union must have the majority support of a properly organised ballot and the union must comply with a number of procedural requirements. Motions calling for industrial action over privatisation or cuts to services do not fall within the legal definition of a trade dispute and so must not be debated as this would put the union in legal jeopardy. Motions relating to industrial action must not contravene Rule O on industrial action or Rule B.4.5, which requires the union to act lawfully. Motions or amendments must not describe previous or current trade disputes as being 'against privatisation' or similar such words, as this could leave the union open to legal challenge.

### **Political fund / Labour Link**

Matters relating to the Labour Party, both in relation to internal issues and in respect of matters to be pursued at Labour Party conference, are dealt with by Labour Link through its own structures, not health conference.

### **Legal issues**

Motions may be ruled out of order for a number of legal reasons. These include legal jeopardy – where a motion places the union at risk of legal action from a third party. The SOC will not enter into protracted legal arguments on whether or not this third party would have a strong case but will take the decision not to place the union at risk. Further, conference cannot compromise existing or potential legal proceedings for either party in a case. Proceedings include potential, past or current disciplinary issues. Motions can only call for actions or activities that the union can lawfully undertake. Motions that call on the union to break the law are not competent and will be ruled out of order.

### **Calls vs. Instructs**

The standing orders committee draws a distinction between motions that 'call' on another body or part of the union to do something, and one which 'instructs' them. When using the

term 'instruct' submitters of motions should be clear that the health conference does indeed have the power to instruct this body and in addition, that the body being instructed has the power to undertake the action.

Even when using the term 'call' or 'seek to ensure' submitters should still check that health conference has the power to call on this body and that the body has the power to undertake the action.

### **Amendments to motions**

Amendments are subject to the same rules as motions. In addition, they should not be used to promote essentially alternative motions or as merely a substitute for voting against a motion. Amendments are likely to be out of order (as wrecking amendments) if they:

- Introduce a direct negative into the motion
- Reduce the motion to a mere restatement of existing policy
- Seek to change fundamentally the purpose of the motion.

### **Emergency motions**

Emergency motions should be submitted in accordance with Rule P.11. The submitting body will have to show:

- The matter could not be raised in debate on the agenda
- The action called for is not covered by another motion, amendment, or composite
- The facts giving rise to the subject matter have occurred since the closing date for the submission of motions and amendments (it is not sufficient that the submitting body was not aware of the facts until after the closing date.)
- The subject cannot be dealt with through normal channels other than health group conference.

### **Challenges to SOC decisions**

If the SOC rules your motion or amendment out of order, you will receive notification, including the reasons why, via the online conference system. If you are not happy with the decision and want the SOC to reconsider, you must appeal **via the OCS**. Please remember, it is not possible to reword a motion after the deadline, to make it competent.

Appeals cannot be started at Conference or from the Conference floor. A written appeal must be made **via the OCS**, in advance of the Conference by the following deadlines:  
To appeal against motions ruled out of order the deadline is: **12.00 noon on Friday, 3<sup>rd</sup> February 2023.**

To appeal against amendments ruled out of order the deadline is **12.00 noon on Friday, 24 March 2023.**

### **Best practice on writing motions**

Submitting bodies are encouraged to write clear, succinct motions that include specific proposals for action. Any quotations from other sources or documents must be identified with quotation marks. Links to websites are not appropriate. Wording should avoid language which may cause offence.

The following suggested format for the structure of your motion/s may be useful:

*This Conference believes/supports/notes/recognises [insert relevant issue]*

*This issue is relevant and important to health service members as workers because [insert reasons]*

*This Conference calls upon the Service Group Executive to take the following actions [insert actions]*

Advice is available from the SOC office on:

- Drafting motions prior to deadlines.
- Guidance and assistance on procedures and standing orders.

If you need assistance, contact your regional SOC representative. Details can be obtained by emailing the SOC Secretary, June Chandler [j.chandler@unison.co.uk](mailto:j.chandler@unison.co.uk) who is also available to assist and advise. Please note that receiving advice from individual committee members does not guarantee acceptance of a motion onto the agenda. Every motion/amendment is considered by the whole committee and decisions are made collectively.
